Day 3 – Friday, March 6, 2020 – Tel Aviv (B, D)

Breakfast at an Israeli hotel is an experience in itself. Start the day with a bounteous buffet before checking out of the hotel.

From a Hebrew City to a Hebrew State: Walk along the newly-opened **Independence Hall** in Tel Aviv and embark on a remarkable journey that begins with the founding of Tel Aviv in 1909 and ends with the establishment of Israel in 1948.

The Changing Architecture and Culture of Tel Aviv: As we make our way along the Independence Trail, we'll see the diversity of Tel Aviv's architecture and find out how this reflects the culture of a city that refuses to stay the same. Examine the "eclectic" early architecture and the **Bauhaus** buildings from the 1930s that gave Tel Aviv the nickname of the "White City" and recognition as a UNESCO World Heritage site. We'll also see Tel Aviv's 21st century skyscrapers and ask what they reveal about modern Israel.

Israel: A Start-Up: Explore the inventiveness and audacity that are making Israel a world leader in technology and transforming the nation's economy at the **State of Mind Innovation Center**, followed by a meeting with a start-up entrepreneur.

Tel Aviv's food scene is booming. Check out some of the options with lunch (*on own account*) at the **Nachalat Binyamin food and crafts fair** (Available Tuesday & Friday) before joining the hustle and bustle of the Carmel market.

Overnight: Tel Aviv

Day 4- Saturday, March 7, 2020 – Journey North (B, L, D)

Departing Tel Aviv, we'll head northwards and back in time to **Caesarea**, one of the Land of Israel's most important cities during the Roman Period. Explore life 2,000 years ago with its ancient amphitheaters, palaces and bathhouses.

Take a moment at the top of **Mount Carmel**, the setting for many biblical stories and the old stomping ground of the prophet Elijah, to admire the view of Haifa Bay.

Haifa's diversity is also reflected by the fact that it is a world center of the Baha'i religious movement.

Visit a village in the Carmel Forest for a glimpse into the world of Israel's **Druze**. Hear personal stories and insights about their culture, closely-guarded beliefs and their tradition of military service to the State of Israel. Then enjoy the tastes of the Druze kitchen with **lunch** in the home of local residents, and groove to the Levantine beat as we sing along with darbuka drummers.

Continue to **Akko** (Acre), a UNESCO Heritage Site, for a fresh look at one of the oldest towns in the world. Once a stronghold of the Christian crusaders in the Holy Land, Akko was also an important center of Muslim Ottoman rule and today is an example of the multi-culturalism of northern Israel. Highlights include:

The restored **Crusaders' Fortress** and look into the lives of the Templar knights, the Christian warriors based here from the twelfth century.

The **el-Jazzar Mosque**, one of Israel's largest mosques and an illustration of the Muslim influence in the country, then and now. The mosque is named after its designer, the talented but brutal Ottoman governor Ahmad Pasha el-Jazzar, who in Akko in 1799 repulsed the invasion of Napoleon Bonaparte.

TIKVA TOURS

Walking along the **fortified walls** that protected Akko and made it a militarily crucial town. Over the centuries, invaders, including Napoleon Bonapart's French army in 1799, damaged but could never destroy these walls. We'll see the massive security measures carried out by Ahmad Pasha el-Jazzar on order to defeat Napoleon at Akko.

Drive to your Galilee kibbutz hotel for dinner and overnight.

Overnight: Galilee

Day 5 – Sunday, March 8, 2020, 2019 – Golan Heights (B, D)

Hit the ground racing as we go off-road for a **jeep tour** of the **Golan Heights** that will combine natural beauty with insights into one of Israel's most strategically important areas. Retrace the experiences of Israeli soldiers in their battles here during the Six-Day War of 1967 and talk with your jeep drivers about their personal experiences and feelings about the Golan.

The Golan Heights is also wine country. Sample some of its best during a tour of the boutique **Pelter Winery**. We're doing the driving so treat yourself to some Israeli gin to go with the grapes. L'chaim and cheers!

Northern Borders, Northern Battles: We'll gaze across the Golan and into Syria from the top of **Mount Bental** and gain powerful insights into Israel's geopolitical and security situation. Analyze the current challenges Israel faces on its northern border, examine the impact of the tragic civil war in Syria, and hunker down in bunkers from the vital battles that took place here during the 1973 Yom Kippur War.

Lunch (*on own account*).

Drive to Katzrin and visit the **ancient village**. You will experience hands on the life during the Talmudic times. The preparation of food, the different flavours of the time. Dress like the locals, press olives, taste wine and even bake bread. Before returning to your hotel, stop at an **Olive Oil factory** and see how the Olive Oil is generated. See as well the many uses of the oil.

The pioneering, socialist kibbutz movement played a vital role in the establishment of the State of Israel and was one of the early state's most influential and distinctive communities. Meet with a second-generation **kibbutz member** and hear how life has changed on the kibbutz in today's more individualistic era.

Dinner at the kibbutz hotel.

Overnight: Kibbutz in the Galilee

Day 6 – Monday, March 9, 2020 – Mystics & Multi-Culturalism in the North (B, D)

Perhaps it's the combination of mysticism and art or maybe it's the mountain air in Israel's highest city. But entering **Tsfat**, there is a sense of something uniquely Jewish but not quite of this world. Here, you'll:

Visit the **Ari synagogue** and share in the inspiration and innovation that moved **Rabbi Isaac Luria** (the Holy Ari) and his fellow mystics. In Tsfat, they developed the Kabbalah, the esoteric insights of Judaism and created Kabbalat Shabbat, the prayers sung on Friday evenings to welcome the arrival of the Sabbath.

See the **Caro synagogue**, built originally, like the Ari, in the sixteenth century. It is where **Rabbi Joseph Caro**, one of the greatest of all Jewish legal authorities, taught and lived. Hear the story of how he was visited here by a maggid, an angelic messenger, who revealed secrets of the Torah.

TIKVA TOURS

Walk through the cobbled streets and alleyways to the **Artists' Colony** with its galleries, shops and studios.

As we drive along the Trans-Israel Highway towards Jerusalem, there will be plenty of opportunities to see the "**Security Barrier**", which runs along the seam zone between Israel and the Palestinian Territories, and learn about the barrier's effects on Israeli security and Palestinian communities.

A special **Memorial Service** where you can pay personal tribute to the victims of the Holocaust.
